In order to provide, improve, protect, and promote our Services, Dropbox **shares your personal information** with trusted third parties, as well as other Dropbox Companies. Trusted third parties are companies or individuals that Dropbox engages to provide, improve, protect, and promote Dropbox Services. For example, trusted **third parties may access your information** to provide data storage services, IT services, or customer support services, but will only do so to perform tasks on Dropbox's behalf. Dropbox remains responsible for the handling of your information per our instructions.

Trusted third parties include:

- Dropbox, Inc.
- Amazon Web Services, Inc.
- Teleperformance A.E.
- Salesforce.com, LLC
- Serenova, LLC (formerly LiveOps Cloud Platform, LLC)
- Google LLC
- Zendesk, Inc.
- Oracle America, Inc.
